

RED MOUNTAIN  
WEIGHT LOSS<sup>®</sup>

**WEIGHT LOSS PROGRAMS**

## Our Fastest Program

# RM3<sup>®</sup>

RM3<sup>®</sup> is the fastest way to safely lose weight and sustain it for life. It's ideal for anyone who wants an easy-to-follow diet individualized to their needs and is ready to see great results.

### Step 1 Weight Loss Window

---

Rapid Weight Loss

### Step 2 Transition Month

---

Avoid Rebound Weight Gain

### Step 3 Lifetime Maintenance

---

Sustain Your New Weight for Life

#### What's included

- Lose Up to 20+ lbs per Month
- RM3<sup>®</sup> Patented Medication Included
- Low-Calorie Diet Plan With Real Foods
- Modest Exercise/Activity Level Permitted
- Weekly Fat Burner Boosters

#### How RM3<sup>®</sup> Works

RM3<sup>®</sup> is a twice-daily tablet with ingredients that attack fat, making it available to the body as an energy source. This helps to naturally reduce your appetite and quickly lose weight.

## Our Most Flexible Program

# flex

WITH **REVOLEX™**

Flex with Revolex™ is a fast and flexible program. It's ideal for patients who desire an individualized meal plan with a wider variety of real food options and the freedom to engage in an active lifestyle.

### Step **1**

## Weight Loss Window

---

**Accelerated Weight Loss**

### Step **2**

## Lifetime Maintenance

---

**Sustain Your Weight Loss For Life**

### What's included:

- Lose Up to 15 lbs per Month
- Revolex™ Patented Medication Included
- Flexible Diet Plan With More Real Foods (and Occasional Indulgences!)
- Unlimited Exercise/No Restrictions on Activity Levels
- Weekly Fat Burner Boosters

## How Revolex™ Works

Revolex™ is a once-daily sublingual tablet (NO needles) formulated with semaglutide and other peptides to reduce common undesirable side effects. It's full strength from day one for fast results.
